Subject: NEW VIDEO DETAILS GOVERNOR'S PLAN TO STEAL NO. CALIFORNIA WATER

This video was produced a day ago and puts into words and pictures the details of Gov. Arnold Schwarzenegger's stealth plan to implement parts of the Water Bill without allowing the public to vote on it. This is a clear-cut water grab that would allow the MWD to ruin the Delta and all of Northern California the same way it ruined the Owens Valley with their massive water grab there. Please be aware of how serious this is and how it will affect your Northern California lifestyle. Please spread it around. Here is the link:
